Chairman's Report

The chairman reported on a successful year, regarding committee members and the development of the association. The new members on the committee have been a welcome addition. He commented that the hall was in regular use, 23 times a month and also a number of 'one-off' events, which is good, but other other slots are available. There have been a number of improvements made to the hall, including: the new block paving; 'Ramsden Hall' sign on the front; parquet hall floor treatment; and regular boiler service.

Treasurer's Report

The treasurer presented the end of year balance sheet and, considering the improvements made to the hall, showed a healthy balance. The treasurer then gave an in depth explanation of income and expenditure for the year. The chairman asked the committee's opinion on giving another donation of £50 to the Prince of Wales hospice (as happened last year) as a thanks to Chris Geeson for auditing the accounts. There were no other questions from the committee. The chairman and the committee congratulated and thanked the treasurer for her work.
